

LigandScout Advanced 4.1 Manual & Tutorials

LigandScout User Manual

The LigandScout user manual is accessible in three (3) ways:

- 1) From the graphical user interface of LigandScout use the pull-down menu: **'Help.'**
- 2) A printer friendly version (**manual.pdf**) is located in the LigandScout installation directory under the directory **'misc.'**
- 3) A stand-alone LigandScout help executable (**ligandscout_help**) is located in the LigandScout installation directory. You can move this app to your desktop or create a link to it in order to easily access the manual.
